500 S. Goodwin Avenue

**November 7**

2PM

Levis Center, Room 424  
919 W. Illinois Street

We're amplifying the fashion discourse on campus! Whether you stan Alexander Wang or take an academic interest in bustles and panniers, join us. Among other things, we'll explore fashion history, criticism, and cultural studies. Sharing work in progress and reading lists is encouraged! Depending on interest, additional events like film screenings and panels are possible. All are welcome.
