Parking and finding the meeting space:

Park in the North Parking lot (click [here](#) for directions and map) and enter through the [Thompson Exhibition Building](#). There will be a table in the lobby where Patrick Ford and one of our board members will sit to get you all checked in.

Once checked in, you'll exit the rear of the Thompson building onto the Museum grounds and walk across the quad to the **Stillman Building**, where you will enter through the north door. There will most likely be signage. Take the elevator up to the third floor of the Stillman Building. The meeting will be held in the **Olin Stephens Room**.
